Directions: After reading Part I, answer the following questions.

1. Briefly describe Part I of the article (in 2-3 sentences); what is it about?

2. Every good story has a hook/attention getter in its lead. What does the lead do to attract your interest as readers? What type of lead is used for this story?

3. What was the mood and tone of the article? What emotions are conveyed? How did the writer accomplish this?

4. What most captured your attention or interest while reading part 1?

5. How did the writer set up the article to include description of characterization, setting, angle/focus?
